FOR IMMEDIATE RELEASE

## *RCG named as a “stand out consulting firm”*

London, United Kingdom – Monday, 12<sup>th</sup> February 2018 – The Renewables Consulting Group (“RCG”) is honoured to have been selected in *Consulting*® magazine's “Seven To Watch” category as part of their Small Jewels annual feature highlighting smaller consulting firms that are shaking up the industry, and outpacing the profession in terms of their performance.

*Consulting*® magazine, which is the flagship publication of the consulting profession, said that the firms in the Seven To Watch category were outstanding and “needed to be noticed”.

*“We established RCG to challenge the existing advisory market, providing top-tier market intelligence, management consulting, and technical advisory services specifically to the renewables sector. Our consultants are working with clients at the leading edge of the renewables industry from project level to c-suite. It is a fantastic boost for everyone at RCG to be recognised by Consulting® magazine as a stand out consulting firm that is breaking new ground.” – Sebastian Chivers, CEO, RCG.*

The Seven Jewels and Seven To Watch feature can be found in the February 2018 edition of the magazine and at *Consulting*® magazine's website: <http://www.consultingmag.com>

### **About The Renewables Consulting Group**

RCG is a specialized expert services firm supporting the global renewable energy sector. From strategy to implementation, the company serves businesses, governments, and non-profits around the world with technical and management consulting services for both mainstream and emerging renewable energy technologies. RCG works with the public sector, private equity and financial services firms, utilities and project developers, equipment manufacturers, and engineering and construction companies for on- and off-shore wind, solar, and emerging technologies including wave and tidal and energy-storage projects. RCG is headquartered in London, and has offices in New York, Amsterdam, Glasgow & Taiwan. For more information, visit our website at [www.thinkrcg.com](http://www.thinkrcg.com) or connect with us on Twitter via @thinkrcg
