FOR IMMEDIATE RELEASE

## *RCG named as one of Consulting® Magazine's Fastest Growing Firms*

**London, England** – Wednesday, 28<sup>th</sup> October 2020 – The Renewables Consulting Group (“RCG”) has been selected as one of Consulting® magazine’s Fastest Growing Firms for 2020.

Consulting® magazine, which is the flagship publication of the consulting profession, says the consulting firms on its list are recognized as “movers and shakers” in terms of revenue growth. Firms were ranking according to revenue growth for a three-year period between 2016 and 2019.

Notably, the magazine says its list include consulting firms of any size and any sector. Therefore, it is even more impressive that RCG landed inside the top 15 (No. 11) and receive the highest-ranking for a renewable energy consulting firm on this year’s list.

*“To receive such recognition is extremely gratifying. It is a testament to our dedicated team of experts who consistently strive to meet and exceed the needs of our clients. We are thrilled to be recognized by Consulting® magazine as a mover and a shaker and a firm that continues to outpace the competition. We proudly accept this prestigious honour.” – Sebastian Chivers, CEO, RCG.*

### **About The Renewables Consulting Group**

RCG is a specialized expert services firm supporting the global renewable energy sector. From strategy to implementation, the company serves businesses, governments, and non-profits around the world with technical and management consulting services for both mainstream and emerging renewable energy technologies. RCG works with the public sector, private equity and financial services firms, utilities and project developers, equipment manufacturers, and engineering and construction companies for on- and off-shore wind, solar, and emerging technologies including wave and tidal and energy-storage projects. RCG is headquartered in London, and has offices in New York, Tokyo and elsewhere. For more information, visit our website at [www.thinkrcg.com](http://www.thinkrcg.com) or connect with us on Twitter via @thinkrcg
