FOR IMMEDIATE RELEASE

## RCG fortifies Glasgow office with appointment of Katrine Black

**Glasgow, Scotland** – 5<sup>th</sup> July 2021 - The Renewables Consulting Group, a sector specific advisory firm, has appointed Katrine Black as Senior Associate in RCG's Glasgow office.

With increased demand for market and transaction advisory services, RCG has responded by bolstering its technical advisory team.

Before arriving at RCG, Black led technical due diligence assignments in offshore and onshore wind, on projects spanning development, construction and operational phases. This included a key role in the acquisition of a stake in Dogger Bank Offshore Wind Farm and debt financing of onshore wind portfolios.

Commenting on the appointment, Nicholas Morgan, Associate Director in RCG's Glasgow office, said:

*"We are delighted that Katrine has joined the RCG team at what is an extremely exciting time for the renewables industry. Our Glasgow team has grown strongly over recent years, throughout the COVID-19 pandemic, to meet our client's needs in a thriving renewables industry. With experience in onshore and offshore wind, working on behalf of owners, investors and lenders, Katrine's appointment compliments RCG's world leading technical advisory team. Her broad skillset and project management capabilities will bring great benefit to our clients across the globe."* – Nicholas Morgan, Associate Director

The Glasgow office is leading the acceleration of the firm's due diligence platform and technical services in order to realise its overall goal of providing a top-tier market intelligence, management consulting, and technical advisory service to the renewable energy sector and delivering long-term value for clients.
