FOR IMMEDIATE RELEASE

## Her Majesty The Queen Honours RCG For Excellence In International Trade

**London, England** - 27 September 2021 - The Renewables Consulting (RCG), an ERM Group company, is proud to receive the Queen's Award for Enterprise in the category of International Trade for significant growth in overseas sales.

Now in its 55th year, the Queen's Awards for Enterprise are the most prestigious business awards in the country. The awards celebrate the success of exciting and innovative businesses which are leading the way with pioneering products or services, delivering impressive social mobility programmes or showing their commitment to excellent sustainable development practices. RCG is one of 205 organisations nationally to be recognised with this prestigious Queen's Award.

RCG provides top-tier market intelligence, management consulting and technical advisory services across wind, solar and energy storage technologies, serving the organizations leading the transition to a low-carbon economy.

As was RCG's mission upon its founding, the company's reach is global. The firm is organised into three regional business units covering Europe, Middle East & Africa, the Americas and Asia-Pacific. With a deep understanding of businesses and industries they serve, RCG works with the world's leading corporations, financial institutions, governments and public sector organisations.

During a presentation ceremony at the historic Broadlands Estates in Romsey, HM Lord-Lieutenant of Hampshire, Mr. Nigel Atkinson formally presented the Queen's Award to Dan Pearson, RCG director and chief strategy officer. The Lord-Lieutenant is Her Majesty The Queen's personal representative in the County.

Dan Pearson, RCG's Director and Chief Strategy Officer, said:

*"It is extremely gratifying to be recognized by Her Majesty The Queen with this prestigious award for international trade. From its founding, the firm set forth with a clear mission of being a trusted advisor to our clients while building the most respected renewable energy advisory firm. On behalf of the entire Renewables Consulting Group, I humbly accept this honour from Her Majesty." – Dan Pearson, Director.*

*For internal use*

Approval is required before publication of all RCG news stories, articles, conference presentations, and similar.

The process is to ensure:

- Intellectual property and confidential information are identified and protected
- Due consideration is given to potentially sensitive information or matters
- Publications are consistent and of high-quality, with appropriate acknowledgements
- Compliance with RCG policies and guidelines (such as the brand guidelines)

Authors should give due consideration to these matters when disclosing information or when providing draft materials for review.

Please ensure that materials to be reviewed and/or published are stored on the RCG internal document system.

### **Checklist**

Please complete this checklist before submitting your request to publish.

#### **Author(s)**

MDF
-----

The document attached to this request is the final version and ready for publication.

Yes  No

The author/s confirm that they authored the content and RCG has rights to use all content commercially; text is not subject to permissions from other owners (unless approval has been given).

Yes  No

The author/s confirm its content has been reviewed and approved by appropriate internal stakeholders/experts.

Yes  No

The author/s confirm that if client work is cited, its content has been reviewed and approved by the appropriate persons in the client organisation (regardless of contractual requirements).

Yes  No

The author/s confirm that if client work is cited, that all client contractual requirements relating to publication have been satisfied and RCG's legal team have reviewed the contractual obligations.

Yes  No

The author/s confirm that no intellectual property will be infringed as a result of publication and that if copyrighted material is used, RCG has written permission to use such materials and gives attribution.

Yes  No

The material complies with the RCG brand guidelines.

Yes  No

The material has been reviewed and approved by the Chief Operating Officer or a Managing Director.
